PARTIAL REPEAL AND AMENDMENT OF DESIGNATING BY-LAW

City of Toronto
100 Queen Street West
Toronto, ON M5H 2N2
Attention: Glenn Garwood
Project Lead, Cultural Affairs

Ontario Heritage Trust

Toronto, Ontario
M5C 1J3

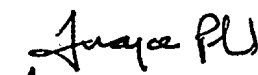

Take notice that Toronto City Council intends to partially repeal City of Toronto By-law No. 1996-0385, designating the property at 222 Bremner Boulevard under Part IV, Section 29 of the Ontario Heritage Act, to remove the references to the portions of the site legally described as Plan 64R-13541, Parts 2 to 9, from Schedules "A" and "C", and to amend the same to remove references to the Machine Shop Annex from the Reasons for Designation that form Schedule "B" of the designating by-law.

Reasons for the Partial Repeal and Amendment of the Designating By-law

As the result of a Hydro Purchase Option Agreement dated October 5, 1992, the City of Toronto agreed to transfer the property adjoining the CPR John Street Roundhouse and know as the Hydro Option Lands (Parts 2 to 9 on Plan 64R-13541) to Ontario Hydro (now Hydro One Networks Inc.) as the future location of a transformer station. The 1992 agreement requires the City to discharge certain encumbrances on the property registered after that time. This includes the partial repeal and amendment of the designating by-law to remove the reference to the Hydro Option Lands from the title of the property and the references to the Machine Shop Annex from the Reasons for Designation.

Notice of an objection to the proposed partial repeal and amendment of the designating by-law may be served on the City Clerk, Attention: Frances M. Pritchard, Acting Administrator, Toronto and East York Community Council, Toronto City Hall, 100 Queen Street West, 12th floor, Toronto, ON M5H 2N2, within thirty days of June 25, 2008, which is July 25, 2008. The notice must set out the reason(s) for the objection, and all relevant facts.

Dated at Toronto this 25th day of June, 2008.

Ulli S. Watkiss
City Clerk
