Dear Mr. Leonard,

Re: Heritage Designation – Notification

---

We are writing to advise that the Council of the City of Kawartha Lakes has passed a resolution of intent to designate the following properties under Section 29 of the Ontario Heritage Act, R.S.O. 1990, c.18, as it is of cultural heritage value and interest:

- (1) 4 Colborne Street East, Lindsay, Ontario (City of Kawartha Lakes)

**Description of the Heritage Attributes of the Property -**

**4 Colborne Street East, Lindsay** is a Queen Anne style structure that was built in 1890. The house has a unique asymmetrical design along with a bell tower and a large covered verandah. The interior of the home features two original curved staircases, one leading from the first floor to the second floor and another leading from the second floor to the third floor) along with original woodwork.

- (2) The Woodville Town Hall located at 100 King Street in the Village of Woodville, Ontario (City of Kawartha Lakes)

**Description of the Heritage Attributes of the Property -**

100A King Street in Woodville is locally known as the "Woodville Town Hall". The structure was built circa 1903 with a stone foundation and brick exterior. The structure features a main hall which was used by the residents of Woodville and the surrounding rural hamlets for community events. The unique interior elements of the structure include detailed woodwork surrounding the original 'ticket booth' outside of the main hall; the interior walls and the ceiling of the main hall area are constructed out of tongue and groove hardwood; and there is a second floor balcony seating area within the main hall.

All of the aforementioned elements are unique and justify designation under Part IV of the Ontario Heritage Act.

Please do not hesitate to contact me at 705-324-9411, extension 1395, if you have any questions or if you would like to discuss this matter.

Yours truly,
