**EXPLANATORY NOTE**

**Purpose and Effect of By-laws No. 2005-0020 and 2005-0021**

The by-laws serve to adopt the Syndicate Housing Heritage Conservation District Designation Report and Plan, and designate the Syndicate Housing in Acton as a Heritage Conservation District under Part V of the Ontario Heritage Act. The Ontario Heritage Act permits the designation of defined areas as heritage conservation districts by by-law, if Official Plan provisions are in place in the municipality. Where a district has been established, a heritage permit is required to erect, demolish, remove or alter the external portions of any building or

structure located within the heritage conservation district, under Section 42 of the Ontario Heritage Act. Heritage permits must be approved by the Council of the Town of Halton Hills. If Council refuses the permit the applicant may appeal to the Ontario Municipal Board.

The purpose of the Syndicate Housing Heritage Conservation District Designation Report and Plan is to maintain the heritage character of the Syndicate Housing by requiring that certain changes to the exterior of buildings within the District conform to the Plan guidelines adopted by Council.

Location of the District:

A key map showing the boundary of the Syndicate Housing Heritage Conservation District, at 69-89 Bower Street in the community of Acton, is attached.
