## SCHEDULE "B" TO BY-LAW NO. 709 - 2001

### Reasons for Designation

The Wellington Library is worthy of designation based on its historical context. The connection to Parry Saylor, a County native who became an internationally acclaimed businessman and doctor, as well as W. W. Fitzgerald in its construction and design are notable and important. It contributes greatly to the civic fabric of the Wellington community and to the flavour of Main Street Wellington. The Library is sited across from the original Town Hall to establish the civic centre of Wellington, both physically and symbolically. The local interpretation and execution of library architecture is also important.

### Specific Designation Features – Wellington Library
