## NOTICE OF INTENTION TO DESIGNATE

**TAKE NOTICE THAT** the Council of the Corporation of the County of Prince Edward intends to designate the properties, including lands and buildings, at the Municipal and Legal address noted below as properties of Cultural Heritage Value or Interest under Part IV of the Ontario Heritage Act, for the reasons stated below:

- **The White Chapel c. 1809**  
**19 White Chapel Road, Hallowell Ward**

**The White Chapel:** The White Chapel was the first Methodist Episcopal Church (meeting house) in Prince Edward County, built opposite the family sawmill on land granted by Stephen Conger, the son of a New Jersey Loyalist. The straightforward Methodist principles can easily be discerned in the simple unassuming form of these early buildings. Invariably they were two storeys high with a second-storey gallery on three sides reached by a corner staircase. On the back wall, the windows are arranged to frame the pulpit, but on the other sides of the building, they are placed more regularly. The windows are fitted with a distinctive 12 over 8 sash and along with the centre chimney are reflective of its New England origin.

The cemetery is a history of the local families that helped build this simple landmark. It contains some remarkable early white marble headstones, including the Conger family plot and one of the few remaining wooden markers left in the Province.

- **Owens House c. 1847**  
**58 Bridge Street, Picton Ward**

**Owens House:** This attractive stone house stands on land deeded by the Crown to Reverend William Macaulay. In January of 1847, a carpenter named William Owens purchased the lot for 40 pounds of sterling. William Owens became one of Picton's leading citizens with businesses in lumber, shipbuilding, farming and potash. He served on town council for 23 years and was mayor for eight years. The house remained in his family until 1920. The property has design value because of its limestone exterior, unusual trapezoid shape and low pitched roof characteristic of mid-19<sup>th</sup> century. The property has contextual value because it is one of a handful of stone homes in the old village of Picton and is located between two other heritage properties on Bridge Street – Eyre's Inn and the Foster House.

**ANY PERSON** may, no later than the **4<sup>th</sup> day of November, 2011** send by registered mail or deliver to the Commissioner of Planning, a Notice of Objection to the proposed designation(s), together with a statement of the reasons for the objection and relevant facts. When a Notice of Objection has been received, the Council of the County of Prince Edward will refer the matter to the Conservation Review Board for a hearing and report.

**ADDITIONAL INFORMATION**, including full statements of heritage value, relating to the proposed designation(s) is available for review at the Prince Edward County Planning Services Department at the address provided below.
