Green Bay Heritage Cemetery

Re: Notice of Intention to Designate

With this letter the Corporation of the Township of South Frontenac is serving notice of its intent to designate property under the Ontario Heritage Act.

Description of Property:

The Green Bay Heritage Cemetery is approximately 46 meters by 50 meters with a slight indent in the north east corner. It consists of numerous headstones, unmarked graves with the remains of early settlers preceding 1844 and the original front gate. It is located as part of Lot 22, Concession 5 on Green Bay Road in the District of Bedford, Township of South Frontenac. (44 degrees 34.853 North and 076 degrees 18.984 West)

Statement of Cultural and Heritage Value

The oldest stone marking a grave in the Green Bay Cemetery is dated 1844, No records exist to note the dates of the earlier burials in the unmarked section of the cemetery. While originally a family cemetery in the last part of the 19th century it was opened as a community burial grounds for pioneers who first settled Eastern Bedford Township. There are many marble and limestone tombstones dating from the mid 1800's and several granite monuments from the early to mid 1900's. The cemetery is enclosed by wire fence and cedar posts with the original front gate still in place. It is located on a very quiet country gravel road near the waters of Green Bay. The site is located on deep sandy soil of Wisconsin Ice Age origin referred to as uplands sand. There is mixed foliage along the north and part of the east side. Flowering trees, planted by the ancestors of those buried, bloom each spring. The granite and marble headstones are of diverse colours and the inscriptions tell the story of those who have gone before and carved a way for those who follow. The genealogical information ties families together and tells the stories of their ancestors.

Heritage Attributes

A copy of the original request from the Cemetery Corporation is enclosed and includes the additional information required.

Notice of Objection

Any person may within 30 days of the publication of this notice send by registered mail or deliver to the Chief Administrative Officer for the Township of South Frontenac notice of his or her objection to the proposed designation together with a statement of the reasons for the objection and all relevant facts. If such notice of objection is received the Council of the Corporation of the Township of South Frontenac shall refer the matter to the Conservation Review Board for a hearing.

Yours truly,

Wayne Orr
Chief Administrative Officer
