SHORT STATEMENT OF THE REASONS  
FOR THE DESIGNATION

The property at 135 Sydenham Street, Brantford, estimated to have been built around 1870, exhibits a striking, nearly intact facade in the Brantford "Cottage" Style. This property is being designated for architectural reasons.

A well-preserved porch which is probably the original structure, covers the front entrance door. Two large proportioned windows appear on either side of the porch. The transom above the entrance door contains the original stained glass. The gable has a single circular clear glass window.

The facade is decorated with band-saw 'gingerbread' decoration at the roof edge. Two front windows are backed by interior shutters which are apparently original and which work perfectly and are clearly visible from outside when closed or partially closed.
