**STATEMENT OF THE REASONS FOR THE DESIGNATION OF  
125 GRAND RIVER AVENUE, BRANTFORD**

**Reason for Designation**

The property at 125 Grand River Avenue is recommended for designation under Part IV of the Ontario Heritage Act as a building of cultural heritage value.

The residence at 125 Grand River Avenue is a fine example of the Italianate style of architecture. The property has contextual value as it supports the historical character of the neighbourhood. It provides a link to a period in time when workers' houses were located near industries, mills and manufacturing facilities.

**Description of the Heritage Attributes**

Built Circa 1880, The buff coloured brick dwelling at 125 Grand River Avenue has a front centre gable with a curled peak finial and a tripled arch bargeboard with a serrated bottom edge, decorative drop and scrollwork spandrels. The front gable attic wall has a segmental arch window with a two over two pane arrangement and double-hung sashes and decorated with wooden shutters. All visible windows on the building are also two over two double hung sashes with segmental arch heads in red and white soldier bricks. The windows flanking the front entrance also have wooden shutters. Columns on brick pedestals support the gable roof, front porch that contains the entrance door with a single light transom. A brick chimney shaft with corbelled brick head rises from the west gable wall at the roof ridge.

The original occupant of the dwelling at 125 Grand River Avenue, Michael Milligan was a stone mason, then it was owned by Charles Milligan until the early 1900's.
