RECEIVED

Dear Mr. Currie:

RE: Approval of Heritage Permit Application for 1094 Lakeshore Road, Pumphouse (File 501-06.4)

The Director of Planning and Building has issued the requested heritage permit concerning the replacement of the roof material and other maintenance/repairs at the above property as per the information received with the application on April 17, 2012, as required pursuant to the *Ontario Heritage Act*. The application has been approved under authority delegated to staff by Council. The "Scope of Work" form is attached. Please note that the permit is limited to those items outlined in the Scope of Work form only.

Should you have any questions or comments, please do not hesitate to contact me.

Sincerely,

SCOPE OF WORK

FOR A HERITAGE PERMIT UNDER THE ONTARIO HERITAGE ACT (File 501-06.4)

Location of Property: 1094 Lakeshore Road (Pumphouse)

Owner/Applicant: City of Burlington (Contact: Mr. David Currie, Supervisor of Facility Operations and Assets)

Please note that the following works have been approved under delegated authority to the Director of Planning and Building, by the Council of the Corporation of the City of Burlington (By-law 14-2010), pursuant to the *Ontario Heritage Act*.

The following work has been approved under the current heritage permit application, as per the information and plans submitted with the permit application:

- Roof replacement – current roof tiles to be replaced with authentic slate tiles; existing ridge caps and crown trim to be refinished to maintain same appearance of existing roof line
- Removal of later addition to building whenever timing is appropriate
- Fascia & soffit – to be repaired and replaced where required with like material to match existing (to be painted in colours of the era, as recommended in the consultant's report)
- Windows and concrete below brick wall to be painted to match fascia and soffit
