SCHEDULE "A"

TO BY-LAW NO. 95-03
OF THE
CORPORATION OF THE CITY OF CAMBRIDGE

ALL AND SINGULAR that certain parcel or tract of land and structure, situate, lying and being in the City of Cambridge, in the Regional Municipality of Waterloo, and being Lot 7 on Plan 451 and Part Plan on Plan 460 lot 1 East-South Grand Avenue more particularly described in Registered Plan 67R3742 Parts 3 and 4.

SCHEDULE "B"

TO BY-LAW NO. 95-03
OF THE
CORPORATION OF THE CITY OF CAMBRIDGE

This property is recommended for designation because of its cultural heritage value and interest. William Webster, a well-known local mason, constructed the residence in 1881. When the house was constructed, Grand Avenue South, then West Main Street, did not extend as far as the Webster property and so the house addressed the river. Once the street was extended, the orientation of the building was changed so that the main entrance was from the street.

REASONS FOR DESIGNATION

The property was evaluated in terms of the criteria for designation in accordance to the Heritage Policies within the City of Cambridge Official Plan:

Cultural Value

- a) It dates from an early period in the development of the City's communities;
- b) It is a good, representative example of the work of an outstanding local builder;
- c) it is a good, representative example of a method of construction now rarely used;
- d) it is a good, representative example of its architectural style of period of building;
- e) it terminates a view or otherwise makes an important contribution to the urban composition or streetscape of which it forms a part.

Further information about this property can be found in the L.A.C.A.C. building file.
