NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE THAT the Council of the Corporation of the City of St. Catharines intends to designate property to be of cultural heritage value or interest under the Ontario Heritage Act, R.S.O. 1990, Chapter 0.18, as follows:

108 Louisa Street

Located on the south side of Louisa Street, between Henry Street and George Street, in the former County of Lincoln, now in the City of St. Catharines in the Regional Municipality of Niagara. The legal description of the property is Lot 13 and the easterly 19.5 feet of even perpendicular width throughout from front to rear of Lot 12, Block F, Mitchell McGiven Plan No. CY 5.

The following is a short statement of the reasons for the proposed designation:

The house at 108 Louisa Street was constructed in 1872 by prominent local builder, William Henry Pay. The house consists of a one storey brick block and single storey rear addition. The main block has a hipped roof with a projecting gable over the front porch. The rear wing is covered with a gable roof. The house is a good example of the nineteenth century Ontario Cottage style with decorative elements that reflect both the Classical tradition (front porch design) and the Italianate style (windows and roof brackets).

More detailed Reasons for Designation can be obtained from the Planning Services Department.

Notice of Objection to the designation may be served on the Clerk of the City of St. Catharines within thirty (30) days after the date of publication of this Notice of Intention in a newspaper having general circulation in the Municipality.

For further details about the proposed designation, please contact Kevin Blozowski, at 905-688-5601, extension 1710.

Dated this 30th day of April, 2005.
