Ontario Heritage Foundation. ✓

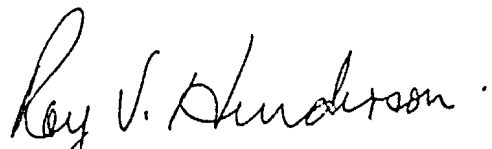

Take notice that the Council of the Corporation of the City of Toronto, on the 15th day of September, 1980, decided to designate the lands and buildings, known municipally as Nos.31-41 Bishop Street, as a property of architectural value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of Reasons for the Proposed Designation

Nos.31-41 Bishop Street (Row Housing) is recommended for designation for architectural reasons. Built in 1883 at the time of the creation of Bishop Street, this row of six rough cast one and a half storey cottages is of interest for its grouping into three pairs surmounted by gables, the simply designed wood window and door surrounds, and the two unusual lower connecting sections between the three pairs. Basically unaltered, the facades of these houses recall the atmosphere of the period in which Yorkville was a village in Toronto's outskirts.

Notice of objection to the designation may be served on the Clerk within 30 days of the 21st of October, 1980. (File 1970)

DATED at Toronto this 21st day of October, 1980.
