### SCHEDULE "A"

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Toronto, in the Municipality of Metropolitan Toronto, formerly in the County of York and Province of Ontario, being Unit 7 on Plan D-227 registered in the Land Registry Office for the Land Titles Division of Toronto and York South (No. 66).

### SCHEDULE "B"

This building is designated on architectural grounds. Romanesque revival in character, this house was built in 1897 to the design of architect, F.H. Herbert, who was especially noted for distinctive residential work. The coursed rubble red sandstone base, dressed stone trim, and red brick walls are enhanced by the unique bracketed detailing of the balcony above the arched entrance recess, of the second floor oriel window, and of the unusual brick gable that is superimposed on a tile gable. The curved corner bay window, the hipped dormer with finial and overall brickwork increase the importance of this design in its urban context.
