SCHEDULE 'A'

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Toronto, in the Municipality of Metropolitan Toronto, formerly in the County of York and Province of Ontario, being composed of parts of lots 2, 3 and 5 according to a plan registered in the Registry Office for the Registry Division of Toronto as D1408, the said parcel being designated as PART 2 on a plan of survey deposited in the said Registry Office for Toronto as 63R-1020.

SCHEDULE 'B'

Reasons for the designation of the Property at No. 32 Gothic Avenue.

The house at 32 Gothic Avenue (formerly the McCormick House) is designated on architectural and historic grounds. It was built in 1889 for George St. Leger, who later became the mayor of West Toronto Junction. About 1908, Drs. William and Florence McCormick established the High Park Sanitorium, taking advantage of the waters of nearby mineral springs. The two-storey white wood verandah on the southerly three sides is distinctive with posts, brackets and balustrades complementing the decorative barge boards at all gables and dormers. The textural quality of the red brick and special window detailing on the northerly facade contribute to make this a fine example of Victorian exuberance and a prominent landmark in the district.
