Take notice that the Council of the Corporation of the City of Toronto, on the 26th day of February, 1981, decided to designate the lands and buildings, known municipally as No.85 Winchester Street, as a property of architectural value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of Reasons for the Proposed Designation

85 Winchester Street (house) is recommended for designation for architectural reasons. This house was built in 1857 by Samuel G. Lynn, who sold it a year later to Charles Parsons, leather merchant, who lived in it until 1873. The design is Georgian with a hip roof, and it is of brick and frame construction. The main entrance door and vestibule screen are important and accentuate the refined wood and glass detailing of the period. This landmark house is substantially intact and it is one of the oldest remaining houses within the Don Vale neighbourhood.

Notice of Objection to the designation may be served on the Clerk within thirty days of the 17th of March, 1981. (File 2061)

DATED at Toronto this 17th day of March, 1981.

Roy V. Henderson
City Clerk
