In the matter of The Ontario Heritage Act, 1974, S.O. Chapter 122.  
And in the matter of the lands and premises known municipally as  
in the Town of Goderich in the  
Province of Ontario.

NOTICE OF INTENTION TO DESIGNATE

TO: Corporation of the Town of Goderich  
57 West Street  
Goderich, Ontario

Ontario Heritage Foundation

Take notice that the Council of the Corporation of the Town  
of Goderich, on the 3rd day of October 1977,  
decided to designate the lands and buildings, known  
municipally as Town Hall as a property of  
architectural and/or historical significance under The  
Ontario Heritage Act, 1974, S.O. Chapter 122.

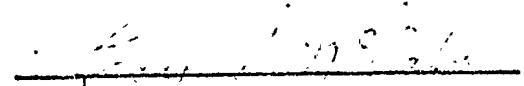

REASON FOR PROPOSED DESIGNATION

The present Town Hall of Goderich, situated on West Street, was  
formerly the Dominion Government Post and Custom's Office.  
Built in 1890 the building was designed by Thomas Fuller, one  
of Canada's leading early architects. It has an imposing and  
dignified presence enhanced by its set back and detachment from  
the neighbouring commercial blocks. The predominant building  
material is stone in the Romanesque style with massively gables.  
The rusticated stone coarsing and wall capping also adds to its  
monumental appearance. The building is of significant value both  
architecturally and historically and is most worthy of preservation  
and designation under the act.

Notice of objection to the designation may be served on the  
Town Clerk within thirty days of the 8th day of December  
1977.

Dated at Goderich, Ontario this 5th day of December 1977.

Signed

  
DEPUTY TOWN CLERK
