# carbon footprint at footprintstoforests.com

Footprints to Forests  
sees trees planted  
ervation authority  
it only takes five to  
es online for any-  
lp out.

ank of the Ausable  
l Conservation  
(ABCA) presented  
on about the initi-  
ounty council's

meeting last week.

It's relatively simple math  
to find out your carbon foot-  
print at the website, [www.footprintstoforests.com](http://www.footprintstoforests.com),  
Monk explained.

The program raises  
money for tree planting  
project.

You can punch in your  
home energy, vehicle or  
plane mileage to see how

many trees need to be  
planted to offset one's car-  
bon monoxide output.

The Maitland Valley Con-  
servation Authority (MVCA)  
and their Ausable Bayfield  
colleagues teamed up for  
the initiative.

"There are people that  
want to do the right thing,  
they realize they are burn-  
ing carbon," said Art

Versteeg, a representative  
on the MVCA and county  
councillor.

The project is in addition  
to other tree planting initia-  
tives, he said, but this one  
allows anyone in the county,  
including business owners  
who may rack up significant  
mileage, to contribute.

The current setup of the  
website probably wouldn't

work for bigger companies  
but the website and the pro-  
gram will grow, Versteeg  
estimated.

"We are still rolling out  
the education process."

Versteeg also hopes to  
have a tree planting day  
involving council and  
county staff.

Council agreed to receive  
the report.

## Wants county cash for former ge lands

and opportunities  
nty as a whole.  
wnship has dis-  
he possibility of  
p with Infrastruc-  
rio, which is await-  
fer of purchase,  
i.

l said it's time to  
k at acquiring the  
...we could lease  
and get business  
d."

Hardy said South Huron  
sees it as an investment for  
the entire county, with the  
possibility of land lease deals  
countering the cost of  
demolishing unusable build-  
ings (estimated at \$900,000),  
and maintaining current  
ones.

With a possible provincial  
election in the fall, now is  
the time to act, he said.

Coun. Bernie MacLellan  
(Huron East) asked about  
the financial commitment of  
South Huron. Hardy said an  
environmental assessment  
was completed on the land  
that is available to staff. He  
said the municipality has  
been responsible

for maintenance and will  
continue to be, which comes  
at a cost.

He didn't offer a dollar fig-  
ure to MacLellan, or to the  
*Signal Star* when asked  
again after his presentation.  
"The property is serviced  
(there are a couple of cur-  
rent businesses leasing on  
useable property) and ready  
to go. We have put our fair  
share of investment that  
way."

Any South Huron offer on  
the property is conditional  
on the county confirming  
support in 30-60 days, Hardy  
said.

Council asked for a staff  
report on the matter.

## GODERICH

Canada's prettiest town

### Notice of Intention to Amend Heritage Designating By-law 50 of 1981 The Garvey House, 97 St. Patrick Street

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the Town of Goderich intends to amend Heritage Designating By-law No. 50 of 1981 relating to the Garvey House. By-law 50 of 1981 was enacted by the Corporation of the Town of Goderich on August 7, 1981 designating the building familiarly known as the Garvey House, 97 St. Patrick Street, Goderich Ontario, to be of historic and architectural value and interest, pursuant to Section 29 of The Ontario Heritage Act, 1974, S.O. Chapter 122.

Subsection 30.1 (1) authorizes the Council of a municipality to, by by-law, amend by-laws designating property made under Section 29 of the Ontario Heritage Act and Section 29 applies with necessary modification to an amending by-law as though it were a by-law to designate property under that section.

The Amending Heritage Designation By-law proposes that Schedule "A" of By-law 50 of 1981 be revised by deleting "The Garvey House" (item 3) and the associated legal description. The structure as noted in By-law 50-1981 was demolished as the result of damage sustained in the tornado of August 21, 2011.

Notice of objection to this designation amendment may be served on the Clerk of the Corporation of the Town of Goderich within thirty days of this notice. Any notice of objection shall indicate the reasons for the objection and all relevant facts. The last day for filing an objection is **April 22, 2014.**

If you have any questions regarding this designation amendment, please contact the undersigned.

## REACH FOR SUCCESS

Employability Skills through Work Experience

Maximize Your Potential

The Centre for  
Employment & Learning

We are **recruiting candidates** to participate in an employment program for youth. Through this project you will enhance employability skills and obtain work experience.

### Eligibility:

- Between 15 and 30 years of age;
- Out of school and in need of assistance to gain workplace skills and experience;
- Motivated to participate in a 12 week program: 4 week Group-Based Employability Skills workshop series followed by 8 weeks of work experience;
- Legally entitled to work in Canada

Participants will  
be paid the  
equivalent to  
the Ontario  
minimum wage.

Canada

This project is funded by the Government  
of Canada's Skills Link Program

Interested candidates should apply by contacting:

Renee Chauvin  
60 Mary Street, Clinton, ON  
519.482.1700  
Or send their resume by email:
