SCHEDULE 'A' to BY-LAW NO. 39-97

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being on the north side of Mill Street, east of James Street, in the Town of Milton, Regional Municipality of Halton more particularly described as Part of Lots 35 & 37, Block 3, Martin's Survey, in the Town of Milton, Regional Municipality of Halton, known municipally as 121 Mill Street.

SCHEDULE 'B' to BY-LAW NO. 39-97

This house was built by John Colling, a retired farmer, in 1879. Descendants of Mr. Colling still reside in the Lowville area and the [REDACTED] (present owner and resident) family has owned and resided in this house for three generations.

This two storey brick house has a decorative brick pattern, quoins and lighter brick trim. The house has a medium gable roof with off-centre gable, projecting eaves, plain fascia, soffit and moulded freize. The windows are segmental with voussoirs, lug sills, a semi-circular window and a front bay. The central doorway has shaped glass and wood trim and the open recessed verandah has doric piers, open railing and moulded wood trim.

Heritage Milton LACAC has indicated that this house is in excellent condition and is a good example of an early town home and that all features have been maintained in the original form.
