## REASONS FOR DESIGNATION

28 South Street,

Hamilton, Ontario

28 South Street is the pioneer homestead for a seventy acre farm that originally extended from Aberdeen Avenue south to the escarpment and from Dundurn Street east to Locke Street, comprising part of Lot 18 in the 4th Concession of Barton Township.

The property was subdivided in 1881, annexed by Hamilton in 1891 and now consists of ten residential blocks. The farmhouse has been incorporated into the present street pattern, but its orientation has been reversed. Built c. 1840's, 28 South Street is important as a tangible record of Hamilton's origins as a farming community.

Notable is the building's stone construction, a material locally available primarily during the 1840's and '50's. Originally, the one-storey north facade was the front of the house, with the entranceway off Aberdeen Avenue.

Little is known of the first settlers other than John Ashbaugh, a yeoman of British origins, farmed the land in 1841 and Thomas Bush owned the property from 1848 to 1881.

Important to the conservation of 28 South Street is the preservation of the original features of the front, east and west facades.
