Schedule "B"
To By-law No. 05-296

276-278 King Street West, Hamilton

City of Hamilton

REASONS FOR DESIGNATION

Cultural Heritage Value

The 1906 commercial brick building located at 276-278 King Street West, Hamilton, possesses cultural heritage value expressed in its historical associations with the economic growth of the City of Hamilton and the continual commercial development of King Street. The subject building, within its historical setting, is of architectural value as an example of Edwardian, vernacular commercial architecture with decorative brick features and an intact storefront.

The Reasons for Designation apply to all elevations and the flat roof, including all facades, entranceways and windows, together with construction materials of brick, stone, wood, metal, and building techniques as follows:

South (Front) Elevation

- Ground/lower level storefront comprising recessed entrances together with trim, base panels, window openings and plate glass.
- Stone beltcourse between the first and second floors.
- Four symmetrically arranged bays on the second floor level.
- Brick facade with decorative brickwork, corbelling, and pilasters on the second floor level.
- Round-arched window openings on the second floor together with stone keystone, wood trim and double-hung sash glazing.
- Elaborate, decorative wood cornice together with corbels, brackets, and dentils.
- Pediment with date stone and stone coping.

East and West (Side) Elevations

- Exterior walls constructed of brick.

South (Rear) Elevation

- Exterior wall constructed of brick, excluding the elevated wood-frame addition.
