SCHEDULE "B"

REASONS FOR DESIGNATION

324 MACNAB STREET

HISTORICAL SIGNIFICANCE

By 1853 Ogilvie Street in Dundas was the site of many fine single family 1 1/2 and 2 storey solid brick homes, occupied by local merchants and entrepreneurs. The house at 11 Ogilvie may have first been the home of a carriage maker, when built in 1845.

In the 20th century the house was acquired by the Grafton Co. and after the closing and demolition of the Grafton Store and factory, the house was used as the Grafton realty office. Threatened by demolition to make room for a condominium development, the house was moved to its present location at 324 MacNab Street. This was the last of the single family brick homes that once were typical on Ogilvie Street.

### ARCHITECTURAL SIGNIFICANCE

This house is a 1 1/2 storey brick cottage with a cottage roof sloping to the rear single storey kitchen. The facade is in flemish bond triple brick. The simple regency doorway has a cobalt blue transom light. The windows with cut stone sills are 6/6 with finely defined architectural woodwork and soldier coursed arched lintels. The side and rear walls are in American bond. Windows along the side of the house are also 6/6 with stone sills. The front wall of the house is supported by a cut stone sill running the full width of the house.

### Designation

The portions of the house to be designated are: the facade, the windows and storm windows, door surround, roof line, and side walls and windows.
