Legal Description:

Schedule 'B' to By Law 17-77

The Aaron Mirick House- Lot 10, Block 11 St. Lawrence St.

Reasons for designation under The Ontario Heritage Act. 1974:

" The Aaron Mirick House, now The Hilltop Manor, is a picturesque two and one half story house set on a large property at the edge of town. Having probably been built about 1845-1855 for this prominent local businessman and later Reeve of Merrickville (1860), by Samuel Langford, a well known local builder, its Dormer windows front porch and casement type windows are elements which combine to give an overall elegance to the house. It was owned by H. F. McLean, a wealthy contractor and engineer of international repute who, about 1920, apparently removed a full width veranda, and added end porches and roof dormers to the house. The main staircase inside, as well as the ceiling plaster work in the main floor front rooms are noteworthy interior elements. This house warrants designation for its craftsmanship, its architectural elements, its overall pleasing appearance, and its historical background."
