AND IN THE MATTER OF the lands and premises known municipally as 9 Bruyere Street in the City of Ottawa, in the Province of Ontario.

NOTICE OF DESIGNATING BY-LAW

TAKE NOTICE that the Council of The Corporation of the City of Ottawa on the 20th day of February , 1980, enacted By-law Number 69-80 designating the lands and buildings known municipally as 9 Bruyere Street as a property of historical and architectural value or interest under The Ontario Heritage Act, 1974, Statutes of Ontario 1974, Chapter 122, as amended.

STATEMENT OF REASONS FOR THE DESIGNATION:

Maison Mère, Soeurs Grises de la Croix, 9 Bruyere Street, is recommended for designation as being of historical and architectural value. Constructed of limestone and originally three stories, this structure was erected in four distinct stages, the first being the southern wing, constructed in 1849-1850 by Antoine Robillard. The northern wing, originally St. Joseph's Orphan Home, was built in 1867. The complex has been used continually as a convent for the Grey Nuns, who arrived in Bytown in 1845 under Mère Elizabeth Bruyere to found what eventually became Ottawa General Hospital. The value of the general exterior appearance is enhanced by the matching pair of sundials on the southwest corner walls, designed in 1851 by geometry teacher Père Jean-François Allard.

A copy of this By-law may be obtained at the office of the City Clerk.

DATED AT OTTAWA this 24th day of April , 1980.
