## SCHEDULE A

### 115. QUEEN STREET EAST - MARTY'S MEN'S AND LADIES' SHOP

#### Reasons for Designation:

Marty's Men's and Ladies' Shop is one of the best preserved limestone blocks in St. Marys. Built certainly before 1859, it is also one of the earliest in date. In addition, this building may be on the site of one of two log stores erected by Lauristan Cruttenden and James McKay in 1843.

The lower part of the coursed rubble stone facade is well-preserved; the cast iron supports still exist, as does the horizontal window band which is beneath the large front sign. Although the original wooden window framing had to be replaced, the simple, frame design which was added is very effectively in keeping with the store front as a whole. In all, this fine limestone structure is found to be most deserving of designation.
