NOTICE OF INTENTION TO DESIGNATE

To: The Corporation of the Town of Prescott
Municipal Building
Dibble Street
Prescott Ontario, K0E 1T0

*Jessup

LOCAL ARCHITECTURAL CONSERVATION ADVISORY COMMITTEE

Take notice that the Council of the Corporation of Prescott, on the 2nd day of May 1977, decided to designate the land and building, known municipally as 356 East Street (Pt. Lot 199 E/S East Street), in the Town of Prescott, as a property of historical and architectural value or interest under the Ontario Heritage Act 1974, R.S.O. Chapter 122.

REASONS FOR PROPOSED DESIGNATION

Historically, 356 East Street, the home of Mrs. Mona and the late Captain C.W. Fetterly (east side between Dibble and Henry Streets), is one of the most exciting and interesting buildings in the Prescott area. The structure was built circa 1810 by Edward Jessup as a schoolmaster's residence. From June 1812 to 1835 the building was in government hands and saw use as a barrack, military hospital, and store house. The home of stone construction is architecturally little altered from the original structure and still contains its original interior moldings, floors, and pegged beams. The building's rare and elaborate network of chimneys link three fireplaces and a bakeoven. Archaeologically, the adjacent grounds contain remains of a surgery, an embrasured stockade, and other temporary buildings dating from the War of 1812.

Notice of objection to the designation may be served on the Clerk within thirty days of May 11th, 1977.
