2. Reconstruction of the gabled roof to its former profile, with new standing seam metal roofing and two skylight boxes;
3. Raising the former roof height by approximately 0.6 metres;
4. Installation of all new metal-clad wood windows in the existing openings;
5. Installation of new curtain-wall glazing in the former loading door openings;
6. Installation of new wooden exterior doors with partial glazing;
7. Installation of a wall mounted sign reading "Imperial Oil Warehouse" or "Queen City Oil Warehouse" or a similar option; and

That the approval of the alterations be subject to the following conditions:

1. A Building Permit shall be obtained, as necessary;
2. The new windows and Hardie Plank siding shall be coloured in a light grey or brown tone, in order to minimize the contrast with the limestone walls;
3. The two elevated skylight boxes shall be omitted from the plans, or reduced in height to be at least 50 percent, in order to be as close to flush with the roof profile as possible; alternatively skylights along the east slope of the roof may be installed;
4. Consideration shall be given to the installation of period appropriate exterior doors in each of the two existing east facing door openings, for the proposed vestibule entrances;
5. The entrance canopies and mast arm signs are not included in this approval, and shall be the subject of a future *Heritage Act* application;
6. All masonry works shall be completed in accordance with the City's Policy on Masonry Restoration on Heritage Buildings;
7. All window works shall be completed in accordance with the City's Policy on Window Renovations in Heritage Buildings;
8. All *Planning Act* applications, including Official Plan amendment, zoning by-law amendment and Site Plan Control approval, shall be completed;
9. Planning staff shall be circulated the drawings and design specifications, tied to the Sign Permit application, for review and approval to ensure minimal impact to the heritage attributes of the property; and
10. Planning staff shall be circulated the drawings and design specifications, tied to the Building Permit application, for review and approval to ensure consistency with the scope of the Heritage Permit sought by this application.

2. Approval of Applications Supported for Approval by Heritage Kingston (Non Statutory Consultation)

i. Approval of an Application for Heritage Permit – 251 Main Street

That alterations to the property at 251 Main Street, be approved in accordance with the details described in the application (File Number P18-098-2017) which was deemed complete on January 18, 2018, with said alterations to include construction of a one-storey detached garage, subject to the following conditions:

1. Any necessary *Planning Act* approvals shall be obtained, as required;
2. A Building Permit shall be obtained, as required;
3. The applicant is encouraged to consider either the use of a vertical and rectangular shaped window or vent, or the removal of the proposed oval window on the south façade of the garage; any changes in the window configuration shall be provided to Planning staff at the Building Permit Stage to ensure consistency with the Village of Barriefield District Plan;
4. The applicant is encouraged to consider the use of clapboard or horizontal siding as cladding material; any asphalt roofing shingles should be a dark or neutral colour; the final material selection and paint scheme shall be provided to Planning staff for review at the Building Permit stage to ensure consistency with the Village of Barriefield District Plan; and
5. The applicant shall contact Utilities Kingston for locates prior to construction, as required.

ii. Approval of an Application for Heritage Permit – 18 Maitland Street

That alterations to the property at 18 Maitland Street, be approved in accordance with the details described in the application (File Number P18-104-2017) which was deemed complete on January 25, 2018, with said alterations to include:

- a) The construction of a one storey rear addition at the ground floor;
