**NOTICE OF INTENTION TO DESIGNATE  
UNDER THE ONTARIO HERITAGE ACT**

**Glen Williams Schoolhouse (SS #11), 15 Prince Street, Glen Williams**  
Village Lot #69, being part of Lot 21, Concession 10, Esquesing Township  
Town of Halton Hills, Regional Municipality of Halton

**NOTICE IS HEREBY GIVEN** that the Town of Halton Hills intends to designate Glen Williams Schoolhouse (SS #11) under Section 29(1), Part IV of the Ontario Heritage Act, R.S.O. 1990, Chapter O.18.

**Cultural Heritage Value or Interest**

The old brick Glen Williams SS#11 at 15 Prince Street, Glen Williams was the first brick schoolhouse to be built in the village of Glen Williams. It was built in 1873 and used as a school until 1949 when it was converted into a house. It is a cultural heritage landscape comprising of an old schoolhouse encircled with numerous trees and situated on the south east side of Prince Street to the east of the village centre.

It was originally a large single storey 5-bay brick Gothic Revival style schoolhouse with a prominent cupola. In 1949 its eastern end collapsed during a building project. A new school was then built elsewhere in the village and the old brick schoolhouse was converted into a house. The conversion included adding a new internal floor to make the building two storeys and replacing the original long windows with new upper floor and lower floor windows. This is a rare and early example of the conversion of a large brick schoolhouse into a two storey house. It also has historical or associative value as one of two nineteenth century old school houses that remain in the village.

The former schoolhouse property is physically, functionally, visually and historically linked to the development of the village of Glen Williams and the school house is associated with the theme of the school system created by the early residents to this part of Halton Hills. This heritage landscape helps to define, maintain and support the character of Glen Williams.
