Statement of Cultural Heritage Value/Statement of Significance

Physical/Design Value

The Sproul House is representative of a mid-19th century two-storey Ontario vernacular farmhouse with a red brick one-and-a-half storey west wing. The mid-pitch side gable roof includes a brick chimney with banding, in each gable end. The house features a central mid-pitch front gable with a gothic window opening. The window is highlighted by radiating stone voussoirs and a stone sill. The symmetrical front façade features a verandah protected by a curved hip roof supported by square pillars with decorative brackets that runs the length of the façade with a central entranceway flanked by windows. The west elevation is two-bay with two second storey window openings. Abutting the west elevation is a side gable roof wing with a shed roof verandah that spans the front façade of the addition. The wing has a brick chimney in the west gable, while the west elevation is two-bay with large first storey and smaller second storey window openings.
