Application for Alteration

1 Attachment: 66 KB

Dear [REDACTED],

It was nice to speak with you just now. Thank you for getting in touch with our office about your upcoming project at 565-569 Harvey Street. As we discussed, I am happy to attach an Application for Alteration form, which I would be grateful if you would complete and return to the Heritage Preservation Office at your convenience.

Once we have received your completed form, along with any plans or additional details that you include, I would be pleased to arrange a time to come out to your property to discuss the project and to determine how best to proceed going forward. As I mentioned, Erik is currently on holidays until 18 August, but we can certainly begin the process so that you are not held up unduly.

I hope that this information is helpful. Please do not hesitate to contact me if you have any questions, or would like any additional information as you work to complete the application.

With best wishes,
Kathryn
