## PUBLIC PARTICIPATION MEETING COMMENTS

### 3.2 PUBLIC PARTICIPATION MEETING – Request to Repeal Heritage Designating By-law No. L.S.P. – 3227-417 – 429 William Street

- Janet Hunten, 253 Huron Street – speaking to the letter on page 230 of the Planning and Environment Committee Added Agenda from the President of the London Branch of the Architectural Conservancy of Ontario as the President had to leave the meeting early; advising that the London Branch of the Architectural Conservancy of Ontario supports the conclusion of the London Advisory Committee on Heritage that this is a culturally important building and that the designation should be maintained; indicating that this building was designated on its own which also suggests its individual importance and it has been extremely well maintained; congratulating the owner on that but it retains its cultural importance in the neighbourhood.
