SCHEDULE "B" TO BY-LAW 34-2006

SHORT STATEMENT OF THE REASON FOR THE DESIGNATION OF BREADNER HOUSE (LOT #301, TUFTON CRESCENT)

Breadner House was built for Joseph Breadner about 1860. The Breadners were one of Brampton's pioneer families and had a longstanding role in the agricultural history of Mount Pleasant village and Chinguacousy Township.

The house is one of the few stone residences in the City of Brampton. It is an excellent example of a one and a half storey vernacular farmhouse with salt-box form and Neo-Classical and Georgian design influences and well executed decorative elements.

Apart from a rear addition the house has undergone few alterations.

Breadner House is an important reminder of the agricultural heritage of Brampton.

The short statement of reason for the designation, including a description of the heritage attributes along with all other components of the full Heritage Report: Statement of Reason for Heritage Designation, constitute the "reason for heritage designation" required under the Ontario Heritage Act. The full Heritage Report is available for viewing in the City Clerk's office at City Hall, during regular business hours.

DESCRIPTION OF HERITAGE ATTRIBUTES (CHARACTER DEFINING ELEMENTS):

Unless otherwise indicated, the reason for designation, including the following heritage attributes (character defining elements), apply generally to all exterior elevations, facades, foundation, roof and roof trim, all entrances, windows, structural openings and associated trim, all architectural detailing, construction materials of wood, stone, brick, plaster parging, metal and glazing, their related building techniques, all interior spaces along with all contextual and landscaping features. The cultural heritage attributes that contribute to the significance of the subject property include the following:

Salt-box form; Georgian and Neo-Classical design; unpainted stone walls, sandstone blocks used as quoins and lintels; ornamental boxed cornice with paired dentils; front entrance door surround with classical entablature, pilasters and decorative geometric patterning; 6/6 wood sash windows; random fieldstone foundation; three bay front elevation with central door.
