BY-LAW NUMBER 60-1985

SCHEDULE " A "

REASON FOR THE DESIGNATION

The house is one of Burlington's early brick structures from the Victorian era of architecture. The architectural "fabric" of the facade maintains a consistent street elevation with earlier structures on Locust Street. The original brick residence was probably built by Richard Cole around 1896 on 2/5 of an acre of land purchased from the McCay family. Two later additions were probably constructed in 1918 and 1927 by a [REDACTED] and [REDACTED] respectively. Later renovations were carried out in 1943 by the [REDACTED] family. ↵
