in the Town of St. Marys in the

ONTARIO HERITAGE TRUST

JUL 29 2019

RECEIVED

Take notice that the Council of the Corporation of the Town of St. Marys intends to designate the property, including lands and buildings, known municipally as 181 Thomas Street as a property of architectural value or interest under Part IV of the Ontario Heritage Act, 1974, S.O. Chapter 122.

Reasons for the Proposed Designation

This limestone cottage was built in 1868 by Alexander Grant, a local stone mason, as his home. Details such as finished quoins and lintels, the regularly coursed stone of the facade, the carpentry of the doorway, and the overall fine proportions all indicate the special care of a highly skilled artisan. From old photographs we know that this cottage originally possessed exterior shutters and a picket fence.

This cottage in design, construction and setting is one of St. Marys' most important nineteenth century buildings.

Any person may, before the 27th day of June, 1988, send by registered mail or deliver to the Clerk of the Town of St. Marys notice of his or her objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts. When a Notice of Objection has been received, the Council of the Town of St. Marys will refer the matter to the Conservation Review Board for a hearing and report.

DATED at St. Marys, this 24th day of May, 1988.
