SCHEDULE "A"

NOTICE

TAKE NOTICE that pursuant to the provisions of the Ontario Heritage Act R.S.O. 1990, the Corporation of the Village of Bobcaygeon intends by By-Law to designate the office of the Mosson Boyd Lumber Company {presently in the name of the A. Sheila Boyd Foundation and the Township of Verulam} in the Village of Bobcaygeon as a building of historical or architectural interest.

The said building being known as the Boyd Building in the Village of Bobcaygeon, County of Victoria more particularly described as 21 Canal Street East, Plan 70, Block M, North Part Lot 4, West William.

Believed to be one of the oldest buildings in Bobcaygeon, having been constructed as a Lumber Office around 1888/89.

Since being acquired in 1951, by the A. Sheila Boyd Cultural Foundation {formally the Bobcaygeon Library Association}, the Village of Bobcaygeon and the Township of Verulam, a section of the Library and a small side office were subsequently added to conform with the appearance of the original building by Miss A. Sheila Boyd and the Township of Verulam respectively. The interior retains the original wood trim. It is a building worthy of heritage conscious maintenance, with repairs being carefully made to reflect the original character and look of the original building. This is because of it's several unique characteristics such as the small eyebrow windows above the entrance off William Street and several protruding alcoves throughout the outside of the building.

Any person who wishes to object to the proposed designation herein, shall within 30 days of the publication herein, serve on the Clerk of the Village, a Notice of Objection, setting out the objections and all relevant fact thereto.

Dated at the Village of Bobcaygeon,  
this                      day of January 1997.

Mardelle Braine, Clerk,  
Village of Bobcaygeon
