TAKE NOTICE that the Council of the Corporation of the Village of Colborne intends to designate a portion of the building, including exterior brick and brickwork, windows and doors, known as 51 King Street East, Village of Colborne as a portion of the property of architectural value under the Ontario Heritage Act, 1990, R.S.O., Part 1V, Chapter 0.18, Section 29, as amended.

REASONS FOR THE PROPOSED DESIGNATION:

This land for the Registry Office site was originally purchased from Joseph Keeler by John M. Glover.

In the Year 1859, an offer from John M. Grover of cash and donation of site along with architectural plans prepared by M. Sakey of Belleville, was presented to Council. John M. Grover became East Northumberland's First Registrar.

This Registry Office was built of Flemish Bond Red Brick. The interior opens onto a Barrell Vaulted Room. There are heavy metal shutters that close over the inside of the windows for protection from external fires, or thefts as well as heavy bars affixed to the outside of the windows.

The Building is "Neo-Classic" in style, Round Head windows and Label surrounds with Prominent Keystones Repeating Thematically in this door design. The "L" shaped plan joins two gabled roof and on the facade terminates into a Pediment. This cornice line of this building has a testural decoration of Inbrication.

Any person may, before November 16, 1996, send by registered mail or deliver to the Clerk of the Village of Colborne notice of their objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts. If such a Notice of Objection is received, the Council shall refer the matter to the Conservation Review Board for a hearing and report. Dated at Colborne October 17, 1996
