The Corporation of the Town of Aurora

By-law Number 6327-21

Being a By-law to designate a property to be of cultural heritage value or interest (15216 Yonge Street "Odd Fellows Block").

Whereas under subsection 29(1) of the *Ontario Heritage Act*, R.S.O. 1990, c. 0.18, as amended, the council of a municipality may, by by-law, designate a property within the municipality to be of cultural heritage value or interest;

And whereas on June 12, 2018, the Council of The Corporation of the Town of Aurora (the "Town") approved the recommendations contained in Report No. HAC18-008, to designate the property municipally known as 15216 Yonge Street, as described on the attached Schedule "A" (the "Property") to be of cultural heritage value or interest;

And whereas the Town Clerk caused notice of the intention to designate the Property to be served on the owner of the Property and the Ontario Heritage Trust and published in a newspaper having general circulation in the municipality;

And whereas there were no objections to the proposed designation of the Property served on the Town, or a person who has served a notice of objection has withdrawn the objection;

And whereas the Council of the Town deems it necessary and expedient to enact a by-law to designate the Property to be of cultural heritage value or interest;

Now therefore the Council of The Corporation of the Town of Aurora hereby enacts as follows:

1. The Property, as described on the attached Schedule "A", be and is hereby designated to be of cultural heritage value or interest.
2. A statement explaining the cultural heritage value or interest of the Property and a description of the heritage attributes of the Property are set out on the attached Schedule "B".
3. The Town Clerk shall serve a copy of this by-law on the owner of the Property and the Ontario Heritage Trust and publish notice of this by-law in a newspaper having general circulation in the municipality.

Schedule "A"

Description of Property

All and singular those certain parcels or tracts of land and premises situate, lying and being in the Town of Aurora, in the Regional Municipality of York, municipally known as 15216 Yonge Street, and being composed of Part of Lot 13, W/S Yonge Street, Plan 9, Aurora, being all of PIN 03652-0051 (LT), including the primary building thereon.

Schedule "B"**Statement of Cultural Heritage Value or Interest**

The Odd Fellows Block located at 15216 Yonge Street has cultural value as a late nineteenth century "commercial vernacular" building. It is built tight to the Yonge Street property line. It is a simple rectilinear two storey yellow brick structure with a low sloping roof which is built tight to the Yonge Street property line. The building façade was rebuilt in 1923. The new façade maintained the "commercial vernacular" style and was sympathetic to its adjoined buildings. There is a decorative double corbelled brick parapet with recessed panels. Brick pilasters divide the upper portion of the building into two asymmetrical bays within each of which are a single and double high window openings.

It has historical value based on its association with the development of the early main street of Aurora. It was constructed by a local building syndicate in 1887 following the great fire of 1887. The syndicate formed to build the Andrew's, Odd Fellows, and Clift buildings, which then became known as the "Syndicate Block". The Syndicate Block reflects the cooperation of owners and craftspeople that resulted in a visually linked building block of which parts were constructed using the same materials and style of design. This similarity of design allowed smaller buildings to appear like a larger building of greater significance. This design and building practice contributes to an understanding of how smaller towns created an appearance of prosperity and cohesion on the main street during the later nineteenth century.

The building is associated with the Independent Order of the Odd Fellow, a fraternal organization that involved many local community members, over much of its history.

The building has contextual value as a contributing building to the historic main street streetscape of Aurora. It is adjoined to the listed Andrew's and Clift Buildings and is located directly across the street from the designated Post Office Building. The Syndicate Block acts as an anchor for the west side of the historic downtown's main street. The building continues its historic uses with retail at the main level and residential and or business uses above. Visually the Odd Fellows Block contributes to the unifying features of the historic streetscape whose buildings are predominantly low sloped roofed, brick of two storeys in height with decorative masonry parapets and metal cornices.

Description of Heritage Attributes

Important to the preservation of the property are the original key attributes that express its value, which include the following exterior elements:
