**Description of the Property**

The Midhurst Community Centre (formerly the Township of Vespra Town Hall) is located on the north side Doran Road, in the former Township of Vespra, now in the Township of Springwater. It consists of a two-storey hall and small parking area. The property is legally described as LT B PL 265 VESPRA; PT LT 6 PL 265 VESPRA PT 3 51R3495; PT LT 7 PL 265 VESPRA; PT LT 12 CON 4 VESPRA AS IN RO648644; T/W RO498368; SPRINGWATER.

**Statement of Cultural Heritage Value or Interest**

The Midhurst Community Centre's cultural heritage value lies in its historical and associative ties to the community, being the former Township of Vespra Town Hall. The original Vespra Town Hall was erected in 1855 in what was then known as Oliver's Mills (Midhurst). Only a year prior had Vespra become a separate municipality, as prior to 1854 it was amalgamated with the Townships of Flos and Sunnidale. This hall served the community for 72 years as the population grew.

In 1927 property was donated by Mrs. Thomas Spence to build the new Township of Vespra Town Hall. Much of the Hall was built by locals contributing their labour which is a testament to the associative value it has to the community. It was constructed of solid concrete block with a cottage roof. Timbers from the old Town Hall were used in the construction of the new one; its history hiding in the walls of the current structure. The upstairs was the auditorium which had an ample stage for music, plays, and Council meetings. The basement housed the kitchen and vault for Vespra Township records and funds. The total cost of the Town Hall was valued at \$4000, with Township Council contributing \$1000 and the rest being financed by local residents. The grand opening was on December 9, 1927 with speeches and a dance that followed. The Hon. Charles Stewart, M.P. of Ottawa, Minister of the Interior spoke and was warmly welcomed back to Midhurst, a town he left 21 years earlier for his career in provincial and federal politics.

From 1927 to 1967 the Hall served the community as the Vespra Township office and the community centre. Local churches held their services there before their own buildings were completed. When the Township outgrew the building and required a larger space, the hall would then exist solely as a community centre. In 1978, the Midhurst Hall Board was established continuing its existence as a focal point of the community to this day while respecting its history and beginnings.

### **Description of Heritage Attributes**

The principal features and characteristics that together characterize the core heritage values of the Midhurst Community Centre are:

- Vespra Township Vault/Safe located on the lower level
- Original upstairs room layout
- Original concrete foundation and exterior structure
- Exterior concrete buttresses/abutments
