SCHEDULE "A"  
TO BY-LAW NO. 165-93  
OF THE  
CORPORATION OF THE CITY OF CAMBRIDGE

All and singular that certain parcel or tract of land and premises situate lying and being in the City of Cambridge, and in the Regional Municipality of Waterloo, formerly the Town of Preston, being composed of Beasley's Broken Front Concession Part Lot 20, on Registered Plan 730, and depicted as Parts 1 and 2 on Reference Plan 67R-3927 as attached to this by-law.

SCHEDULE "B"  
TO BY-LAW NO. 165-93  
OF THE  
CORPORATION OF THE CITY OF CAMBRIDGE

The entrance gates to Riverside Park are recommended for designation for historic reasons. Constructed between 1921 - 1922, the gates were to commemorate those soldiers from Preston who served in World War I. The entrance gates greet vehicular and pedestrian traffic from King Street. Although the gates have been substantially altered they are an important link to the City's past war efforts. According to the Official Plan the gates meet the following criteria:

Historical

- (i) it is associated with people who are recognized as having made significant contributions to the City's political, economic and physical development;
- (ii) it is directly associated with a historic event which is recognized as having local, regional, provincial, national and international significance; and
- (iii) it is a well preserved example and illustration of the City's cultural development.

Architectural

- (i) it makes an important contribution to the streetscape of which it forms a part.
