RE: Notice of Decision to Permit Alterations to a Designated Property under Section 33 of the OHA

Please accept this letter as notification, required under Section 33(6)(b) of the *Ontario Heritage Act*, that Council has recently approved alterations to a designated heritage building, being the former militia drill hall, more commonly referred to as the old Farmer's Market Building/Grey and Simcoe Foresters Museum & Armoury, which is located at 36 Mulcaster Street, Barrie and designated through By-Law 1995-07-10. The motion to permit the alteration to this City-owned building attached to this letter.

The purpose of the alterations is to replace the existing cedar shingle roof as it has deteriorated over time. The City intends to replace the cedar shingles with an Enviroshake (or similar) product. The City has used this product on another designated heritage property, being the Master Mechanic's building.

If there are any questions or concerns, please feel free to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Wierzba".
