SCHEDULE "A" TO BY-LAW NUMBER 113-97

566 Kingston Road West, - Part Lot 4, Plan 11, Plan 205, Pt Lane  
Closed, Part 4, Plan 40R-8690, Town of Ajax, Region of Durham,  
Province of Ontario.

SCHEDULE "B" TO BY-LAW NUMBER 113-97

REASON FOR DESIGNATION

The house is a storey-and-half centre hall plan, late Victorian Ontario vernacular with a summer kitchen "tail" and a later glassed-in front porch. The structure has been changed and adapted from an earlier single storey rectangular structure.

There is a tablet window in the front gable.

Timber framing of the original 21'6" x 36'6" portion of the house as revealed in the basement (first floor framing) and when the second floor was renovated. The timber sills, log floor joists, flooring boards, timber studs, plate and sheathing boards are all original. The original clapboard and beaded corner boards are in excellent condition.

There is a recent (1980s) replacement staircase, together with the upper stair hall and it's tablet windows.

It is part of a row of nine 19th century houses that are still largely recognizable in their original or at least 19th century form.
