HERITAGE PERMIT

This is your heritage permit and constitutes notice of decision under Section 33 of the Ontario Heritage Act. The issuance of this permit is based on the attached drawings, specifications, details and information submitted with the application and all on file with the Senior Manager, Heritage Planning.

The extent of alterations authorized under this permit is limited to the description contained herein as follows:

Application to Install Six CCTV Cameras.

Stated work must be in accordance with the plans, specifications, heritage permit notes and other information issued with this heritage permit. Changes to any documents submitted are not to be made unless prior authorization is obtained from the Chief Planner or his/her designate. Knowingly furnishing false information is an offence under the Ontario Heritage Act that may lead to prosecution and/or the restoration of the heritage property by the City at the owner's expense.

This permit is not a permit under the Building Code Act nor does it constitute approval under any other applicable law. It is the owner's responsibility to obtain any required building permits and to ensure compliance with all applicable law.
