**STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF
HERITAGE ATTRIBUTES**

The property situated at 7618 Leslie Road West, Puslinch, meets the requirements for designation prescribed by the Province of Ontario under the three categories of design/physical value, historical/associative value, and contextual value.

The property possesses significant cultural heritage value retained in its primarily Italianate fieldstone and limestone two-storey residence built in several stages between 1830-1880. The residence has elaborate Gibb design elements, unique within the Township. The property is associated with the Alexander and William Nicoll families and the significant political and military contributions they made to the Township and the County. Contextually, the property is associated with Puslinch village, a now extant hamlet.

Design Value:

The property is an outstanding example of Italianate architecture c. 1880 in cut limestone with elaborate Gibbs designed rusticated limestone blocks for quoins and surrounds on window and door fenestrations, and carved keystones in large stone lintels. The two-storey house showcases several features associated with the Italianate style, such as its "L" shaped- shaped form, and cross-gabled, roof with wide eaves and decorative scroll brackets, and double stone chimneys. The main wide entrance door has a transom and sidelights. Rectangular sash windows are paired on the upper storey and singular on the lower storey.

An apparently earlier wing of the residence has been covered with roughcast plaster. It may be the part of the residence built in 1860 as a one-story stone residence to replace an earlier log house. The latter was built by Andrew Stahl in the early 1830s from whom Alexander Nicoll and Mary Nicoll purchased 7618 Leslie Road after immigrating from Scotland in. They lived in this log house until Alexander Nicoll passed away in 1860. At that time the neighbouring Leslie family aided them in building a single-storey stone residence. About 1880 a second storey was added and the extensive Italianate two-storey addition was built.

Historical/Associative Value:

William Nichol (1845-1921) was a person with political and military significance to the Township and County of Wellington. He was fifteen in 1860 when his father died. Like his father, William Nicoll became active in Puslinch political life, serving as a Councillor (1869-1894) and Reeve (1882-1894) of the Township and Warden of Wellington County (1892). He also served in the local militia from 1861-1900 and was called up during the Fenian Raids. In 1895 he was made Lieutenant Colonel of the Field Artillery. Nicoll spent the remainder of his life in the farmhouse.

Contextual Value:

The property stands out as a distinctive residence within its neighbourhood of Scottish stone masonry properties that once belonged to the extant hamlet of Puslinch. The property provides a visible and notable locus of the area's culture and farming history. The size and outstanding architecture of the property makes it a landmark in the southeastern corner of the Township.
