SCHEDULE "A" TO BY-LAW NO. 88-175 (HO-1)

DESCRIPTION OF THE ELMGROVE SCHOOL HOUSE

ALL AND SINGULAR THAT certain parcel or tract of land and premises situate, lying and being in the Town of Georgina in the Regional Municipality of York, and being composed of Part of Lot 15, Concession 7 (NG), identified as roll number 116.635 according to the Assessment Rolls.

SCHEDULE "B" TO BY-LAW NO. 88-175 (HO-1)

REASONS FOR DESIGNATION OF THE ELMGROVE SCHOOL HOUSE:

HISTORICAL:

It is believed that the school house stands on the site of an earlier wooden school house, of a similar design, found in the York County Atlas of 1878. The present building is typical of the school houses of that era. The school house was appropriately located in the crossroads community of Elmgrove at the junction of Catering Road, the earliest trail between Sutton and the southern regions, and Old Homestead Road running east and west.

ARCHITECTURAL:

The school house has been constructed of red brick with a beautiful cupola containing the original bell. An incised stone set above the front door reads "School Section #7 North Gwillimbury, Erected 1881". The school house has not changed over the years and retains its original roof line and windows.
