The *Ontario Heritage Act*, R.S.O. 1990, c. 0.18 as amended, provides that an owner of property designated under the *Ontario Heritage Act* may apply to Municipal Council to repeal the by-law or part thereof designating the property.

**TAKE NOTICE** that the Council of the Town of East Gwillimbury has received a request at the initiation of the owner to repeal by-law 2015-003 which designates 574 Green Lane East, Part of Lot 101, Concession 1, EYS, Part 1 RP 65R-34651.

### STATEMENT OF CULTURAL HERITAGE VALUE AND ATTRIBUTES

The Stephen Howard Jr. House's cultural heritage values lies in it being an excellent and intact example of a mid-nineteenth century farmhouse of this area. Built in 1864, its proportions and architectural style reflect the typical Ontario centre-gabled 1 ½ storey dwelling, constructed of double thickness red and yellow brick. It features an attached board-and-batten woodshed with a small belfry.

The cultural heritage value of this house also lies in its association with the original owner, Stephen Howard Jr. As the son of one of the first Quaker settlers in this area, he led an active life in his community and was a successful farmer. During the 1837 Rebellion, he is best remembered for his part in assisting the Lount family. This house has been lived in continuously by the Howard family since its construction. It received its plaque by the Heritage Committee in the 1990s.
