SCHEDULE "B"

Reasons for the designation of the Property at No. 2 Strachan Avenue (C.N.E. Carlsberg Building).

The Ontario Government Building, now known as the Carlsberg Building, in Exhibition Place at 2 Strachan Avenue is designated on architectural and historical grounds. Built in 1926 for exhibition use by the Ontario Government it was designed in the Beaux Arts style by the prominent architectural firm of Chapman and Oxley. The large central dome, with distinctive crowning lantern, smaller domes on the paired corner towers, Corinthian columns at the south entrance, high degree of detailing and arched windows, make this building one of the most distinctive of the Exhibition Place buildings. The plan surrounding an open display court is unique and well suited to its original purpose. The sculptured lions by C.D. McKechnie at the entrance are significant elements of this important waterfront landmark.
