NOTICE OF INTENTION TO DESIGNATE

Take notice that the Council of the Corporation of the City of St. Catharines intends to designate property to be of historic and architectural value and interest under the Ontario Heritage Act, R.S.O. 1990. Chapter 0.18 as follows:

St. Catharines Armoury
81 Lake Street

Located on the northwest corner of Lake Street and Welland Avenue in the City of St. Catharines in the Regional Municipality of Niagara, formerly in the Township of Grantham, being Part of Lot 19, Concession 5. The following is a short statement of the reasons for the proposed designation:

The Armoury was constructed in 1905, to plans prepared by the Federal Department of Public Works under the direction of architect T.W. Fuller. It was designed to serve as headquarters for the local militia units. It was from the Armoury that these units left to go overseas for both World Wars. The expansive gable roof and course of arched windows contrast with the crenellated towers and jutting chimneys in making this building a local landmark. The predominant building materials are quarry stone and brick.

Notice of objection to the designation may be served on the Clerk of the City of St. Catharines within thirty days after June 1, 1996, the date of publication of this notice in a newspaper having general circulation in the municipality.

For further details about the proposed designation, please contact Kevin Blozowski, City Planning Department at 688-5600, extension 1710.

DATED this 1st day of June, 1996.
