Schedule "B"

Reasons for the designation of the property at No. 5 Wellington Street West.

The property at No. 5 Wellington Street West is designated on architectural grounds. The warehouse and store of Charles Moore and Company Importers and Wholesale Grocers was built in 1858-59. The upper floors of the original facade are particularly well-crafted in stone and brick with emphasis on the arched window reveals with faceted keystones, volute brackets and band courses at the second and third floors. Two-storey stone columns extend from the shopfront entablature to the cornice, below the arcaded attic storey with its plainly detailed columns and stone lintels. This building is an important early example of mid-century Toronto architecture.
