Take notice that the Council of the Corporation of the City
of Toronto, on the 30th day of May, 1983, decided to designate
the lands and buildings known municipally as No.5 Wellington
Street West as a property of architectural value or interest,
under the Ontario Heritage Act, R.S.O. 1980, Chapter 337.

Short Statement of Reasons for the Proposed Designation

No.5 Wellington Street West (warehouse) is recommended for designation for architectural reasons. The warehouse and store of Charles Moore and Company Importers and Wholesale Grocers was built in 1858-59. The upper floors of the original facade are particularly well-crafted in stone and brick with emphasis on the arched window reveals with faceted keystones, volute brackets and band courses at the second and third floors. Two-storey stone columns extend from the shopfront entablature to the cornice, below the arcaded attic storey with its plainly detailed columns and stone lintels. This building is an important early example of mid-century Toronto architecture.

Notice of Objection to the designation may be served on the Clerk within thirty days of the 14th of June, 1983. (File 2283).

Dated at Toronto this 14th day of June, 1983.
