Take notice that the Council of the Corporation of the City of Toronto, on the 19th day of September, 1983, decided to designate the lands and buildings known municipally as No.47 Queen's Park Crescent East as a property of architectural value or interest, under the Ontario Heritage Act, R.S.O. 1980, Chapter 337.

Short Statement of Reasons for the Proposed Designation

No.47 Queen's Park Crescent East (Reuben Millichamp House) is recommended for designation for architectural reasons. Built in 1888, with additions by Curry, Sproat & Rolph in 1906, for wool merchant, Reuben Millichamp, this house has a square corner tower, with an oriel bay window and steeply pitched pyramidal roof. This prominent feature emphasizes the unique architectural composition of the red brick house with stone trim and decorative terracotta panels. The arched entrance porch and the woodwork detailing of the gables and dormers, enhance this important residence, which for more than 50 years has served as Provincial and University research facilities.

Notice of Objection to the designation may be served on the Clerk within thirty days of the 11th of October, 1983. (File 2443).

Dated at Toronto this 11th day of October, 1983.
