# THE CORPORATION OF THE TOWN OF FERGUS

BY-LAW NUMBER 3181

*Being a By-law to designate 450 St.  
David Street North to be of historic  
or architectural value or interest.*

**WHEREAS** on the advice of the Local Architectural Advisory Committee, Council has been advised to designate the lands attached hereto to be of historic or architectural value or interest pursuant to the provisions of the Ontario Heritage Act, R.S.O. 1990, c. O.18;

**AND WHEREAS** the provisions of Section 29, Subsections (1), (2), (4) have been complied with and no notice of objection has been received by the Municipality.

**NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF FERGUS HEREBY ENACTS AS FOLLOWS:**

1. The lands and premises described in Schedule "A" attached hereto are hereby designated to be lands and buildings of historic or architectural value or interest.

2. The reasons for the designations are as follows:

The one and a half storey limestone house on this property was built between 1888 and 1890 for Ann and Isabella Imlah, members of the family of Joseph Imlah, whose sons James and John were proprietors of a hardware store in Fergus from 1917 to 1951.

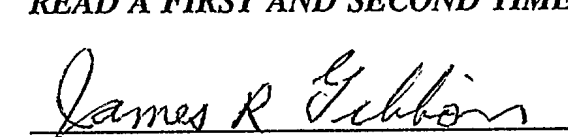

The house is one of the substantial number of Gothic-style cottages that were built in Fergus during the latter half of the nineteenth century. Though of more modest intent than some of its counterparts, it displays a high level of craftsmanship, particularly in the masonry work, notable features of which include the semi-circular window arch in the front gable, the semi-elliptical five-element arches over all other window and door openings, and the flush quoin pattern at the sides of the front windows and entrance.

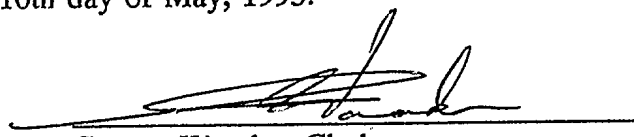

The house is one of a group of three nineteenth-century limestone houses prominently located on one of the principal approaches to the Town.

3. This By-law shall be registered against the title of the lands described in Schedule "A".

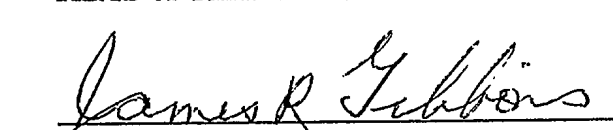

4. This By-law shall come into force and effect upon its final passing.
